

AUGUST NEWSLETTER - 1992

President: Chuck Kolder 728-7911
Vice Pres: Chuck Kalish 761-1431
Secretary: Karen Borgen 487-6285
Treasurer: Doris Keefe 366-4679

HELLO COW-POKES,

I've "put-off" doing this newsletter as long as possible, hoping that that Janet, (or some inspired writer), might take-over... NO SUCH LUCK...It's me and my computer keyboard, alone again. ("HELPFUL HAROLD" went to the Lernerville Race tonight.)

A special thank you to club member Dennis Becker, who kindly provided the Greater Pittsburgh Mustang Club Logo on computer disk; his contribution is certainly appreciated. (Now the club correspondence can have a professional look.) Thanks Denny!

Don't forget the club's CORN ROAST is scheduled for this coming Sunday, AUGUST 30th - 2:00PM - Roosevelt Grove, North Park. At our last meeting Chuck Kolder asked for volunteers to bring needed supplies, and he also requested help to prepare the food. But no one has "stepped-forward" (It can't always be the same people doing the work folks!). Club activities should be fun for all the members, let's "pitch-in" and get involved.

Anyone that signed-up to attend the club outing to Wheeling Downs Dog Races on September 26th: your payment of \$18.50 per couple, or \$9.25 for a single, is due now. (The trip may be cancelled if Treasurer Doris doesn't receive these funds). Plans were made to leave from KINGS REST.- Rts. 910 & 79 - 5:30 pm. - September 26th - to attend the Dog Races at Wheeling Downs.

Wampum Mines Industrial Facility has winter vehicle storage spaces available for \$40.00 per month. They will give our club members a 10% discount IF we have six member vehicles reserve a storage space. Call 535-4308 if you're interested.

CONGRATULATIONS TO BILL & LINDA MILLER for producing another G.P.M.C. Member!!! CHRISTINA MICHELLE MILLER
Born: 9:58pm, August 21, 1992
Weight: 8 lbs. 4 oz.

("Proud-Pop" Bill is ex-Club Secretary and he reports wife Linda, son Billy, and new baby Christina are all doing well.) God Bless.

MEETING MINUTES: (Aug. 5th)

President Chuck moved-through the meeting agenda in record time, allowing the evenings' guest speaker to make his presentation.

1. A Treasurer's Report for the club's Car Show wasn't available but estimates were made that the club either "lost-a-little" or "broke-even" (?)
2. Help for the upcoming CORN ROAST was requested. Maxine Kaminski kindly agreed (as always) to bring bakery buns and hot dogs; Walt Stenger also volunteered to bring the pop; the guest speaker offered to get fresh corn for us & Chuck Kolder will be bringing it, paper products, and condiments, to the grove. WHO and HOW the corn and hot dogs will be cooked? Sadly, no offers were made...
 - * We will be taking a CRUISE AROUND THE LAKE in our Mustangs sometime in the afternoon, hope you'll join in.
3. Thirty-eight members signed the meeting attendance book. New members Jim Lazwell, Herb Hamlin, Doug Wagner, Budd Wagner, and Randy McCafferty were welcomed.
4. Jim Storer Family won the 50-50 raffle.
5. Guest Speaker was Kevin Bolland from D&D Rebuilding Service who told us everything about engines and engine rebuilding. He was also very generous in providing two \$75.00 gift certificates which Rick & Maxine Kaminski won (well deserved) Other door prizes for our members included cases of oil, and hand cleaner w/dispenser from our Car Show. It was a winner evening, thanks to everyone that provided door prizes.
6. Michelle Kalish confirmed the Wheeling Downs Dog Race Trip Menu, and asked for all interested parties to "sign-up" and submit their payment. Kings Rest. on Rts. 910 & 79 at 5:30pm SATURDAY, SEPTEMBER 26th for those who've pre-registered and paid-in-full.

Although there wasn't any time for open discussion of this issue at the meeting, I'll pass along the following for your review: WHAT DO YOU THINK of WINDOW DECALS, license plates, or license frames, that would identify us all as G.P.M.C. Members? (If we only place them on our everyday car it would promote the club).

The Burton Sign Co. estimated that 125- 2 1/2" CIRCLE DECALS in one color would cost \$125.00; 250 for \$145.00; 500 for \$165.00. Embossed aluminum license plates (100 quantity) are \$1.95 each. Molded license frames are \$1.00 each. As you can see we'd need to place orders for a minimum of 100, so WE'LL NEED SOME INPUT, SUGGESTIONS, AND/OR YOUR PREFERENCE, before we "hit" the Club Treasury for funds! Anyone out there know of other sources for these items?

Member Kevin O'Connor passed-along the following flyer; hope it might be something you late model Mustangers' can use.....

I have photographs for Lanny Leggett, Wilkinsons, & DeRosa's, please see me at the corn roast or meeting. Also, there is one 5"X7" group photo still for sale at \$5.83 for anyone interested.

We've seen some of you members "out-and-about" at the Car Cruises and Car Shows with those PRETTY PONIES; it's always nice to spot a familiar face! Remember (for next year) that the Pharaoh's Phun Run is a REAL GOOD TIME. They had over 438 show cars, and a full day of activities for all ages, with proceeds going to the Vietnam Vets. McKees Rocks Super-Cruise was fairly awesome too; wonder where all these vehicles are tucked-away all winter ?

Let's all hope for a long HOT August & September & October so we can enjoy some sun before the snow flies. It's time for me to go and enjoy a long awaited dip in the swimming pool...See you all at the Corn Roast or next meeting.

HAPPY TRAILS TO YOU.....
