

NOVEMBER NEWSLETTER - 1992

President: Chuck Kolder 728-7911
Vice Pres: Chuck Kalish 761-1431
Secretary: Karen Borgen 487-6285
Treasurer: Doris Keefe 366-4679

Dear Buck-A-Roo's;

FOUND ON PAGES
5 & 6

Please complete the enclosed "Opinion Poll" as we're anxious to survey all GPMC member ideas, comments, suggestions, and even complaints! Many of you have discussed some fine ideas with me during the past ten months; I've tried to create an opinion poll to include various topics. (Compiling majority opinions should help to establish a direction for the club). Your responses will be confidential, no names required. Please send A.S.P. to: GPMC, c/o K. Borgen; 2430 Tanglewood Dr.; Allison Park, Pa 15101.

My tenure as Secretary is just one newsletter away from being finished! The year went pretty fast, and the best part was getting to know you nice people out there. Thanks to Chuck Kalish for making the mailing labels monthly, and my appreciation to Janet and Doris for their support; I couldn't have done it without you!

In the early part of the year I made some newsletter references to my Hubby-Harold "taking forever" to rebuild our '67 Mustang. Well folks, I'll have to "eat-some-words" here and use this opportunity to say: "NICE JOB HAIRY, you understood that spending 80+ hours working in the engine compartment with a meg welder & sandpaper was necessary. You knew that polishing every nut, bolt, screw, and piece would payoff; and that no amount of dedication to detail is wasted. You were right, and your efforts were justified & rewarded with the creation of our red pony. I'm proud to say it's a Winner, and YOU made it so! Thanks & Luv You"

MEETING MINUTES: (November 4th)

1. Capacity crowd at Kings for the meeting. New members Jim Jones and Terry Seibert were welcomed. Chuck Kolder said he's still in contact with Ford Motor regarding a guest speaker to one of our upcoming meetings; he'll inform us of the date. Chuck also has a few of those original Ford sales booklets free for anyone with a 1967 Ford...call him.
2. The SUN.-DEC. 13TH Christmas Party at Carmody's Rest. was discussed. All reservations with payment must be made by December 2nd meeting.(More info. on page 3). Dinner will be served at 6:30 pm- Cash-Bar Cocktails for one-hour before the dinner.(5:30) *Note that tips are included in the dinner cost.

MEETING MINUTES CON'T.

3. Members are asked to contact local businesses for door prizes to be distributed at the Christmas Party. Last year everyone received at least one gift, we hope to repeat this.
4. Pres. Chuck asked for nominations for the four 1993 Officer Positions; two names were submitted and you're encouraged to submit possible candidates by returning your opinion poll found on page 5. Two persons may share an office as Co-officer's...so all of you husband/wife teams, or friends.....come-on-down!
5. Gene Hawk won the name spelled backwards in the newsletter contest. He generously donated his \$10.00 winnings to the club treasury. THANK YOU GENE.
6. Bill Miller reported that member RAY VINSON has been recognized as an UPSTANDING CITIZEN by the Richland Police Dept. for his contributions to the D.A.R.E. program. This was a state-wide award, and our congratulations to Ray for his efforts.
7. Ray Radzevick brought the revised window sticker logo made by Randy McCafferty who was unable to attend. We passed the example around and everyone agreed these will be a nice addition to the club inventory. Randy has been kind enough to use his graphic design expertise to create a "universal" mustang logo for us; we'll impose upon him once again to darken the horse ("picky people", sorry Randy!) He also got an excellent price on these items and we hope to place our order next month. THANKS RANDY.
8. While I'm speaking of new members that are contributing: Terry Seibert has offered to cover the club's name-tag paper (that I make) with her button making equipment. WE'RE GRATEFUL.
9. That lucky dog Terry Conroy won the 50/50 again! I'm letting Marcelle know even though he told me not too! Baby Christine Hildenbrand looked really sharp in her Mustang Tee Shirt at the meeting. We also hope that Linda Miller has recovered from her over-night hospital stay. MIJ REROTS.
10. Harold & I offered to organize a club trip to the MCA Nationals to be held June 12-13th in Cinn., Ohio. We think a good-time would be had, if some of the GPMC members caravan over. You don't have to be an MCA member to enter your car, and/or there should be plenty to spectate. Hotels fill-up early so we'll have to begin plans if there is any interest in getting a block of rooms. Let us know.
11. Michelle Kalish detailed the Science Center Outing plans. Her report of the day's activities is included on pg. 4.

WANTED or FOR SALE ADS for car related items will be placed in the monthly newsletter at no cost to G.P.M.C. Members. Your ads will be published in three consecutive newsletters. PLEASE limit the ad to four or five lines of space; and kindly submit the ad info. or deletions by the 12th of the publication month. Thanks!
