

September Newsletter

Here we are in September already and the weather is still beautiful. Keep your fingers crossed because we still have a few events planned that need a little sunshine.

We want to welcome another new member into the Club:

A personal "thank you" from me is in order to our former Secretary, Janet Hagerty. Unfortunately I was unable to attend our August 2 meeting. However Janet recorded all of the minutes of the meeting for me! That's what you call coming to one's aid! Thank you Janet. Here's Janet. . .

September 6th is our next meeting and our last at Roosevelt Grove, time is 7:30pm. Don't forget it is the Parts Swap Meeting, gather up all your goodfies and make a few sales.

September 17th is the Road Rally with a little different approach! Sounds like fun. John Zaccaria in charge.

October 4th Meeting at 7:30. Back at Denny's Restaurant for the winter months.

October 15th at Seven Springs with Dinner at follow at Oakhurst Tea Room.

Details Later.

Welcome to new member Jeff Brown. This was his first time at one of our meetings. Jeff has a new address since our mailing list went out, it is #8 Hutchman Road, Mars, PA 160046 - ph# 625-2198

And while we're on the subject of addresses, our former Secretary, "The Crab" and her family live at 4196 Timberlane Drive instead of Timberland Drive. (But that's OK, everything including the bills make it there anyway!)

UP AND COMING EVENT - Not for everyone, just for Scott Brown and his wife. They're expecting a new little addition to their family sometime around Feb or March. CONGRATULATIONS !

It's not "Up and Coming" - but it's an event! Bill Keefe was looking around his garage, when he discovered his Black and Silver '71 429, SCJ Mustang (which hasn't been out of the "Corral" for about three years.) And Bill, being the considerate person he is, decided to let the rest of us poor Mustang owners see what one of the "Baddest" & "Cleanest" unrestored examples alive looks like. The excursion was not without incident - three year old gasoline is not the hot set-up. After quickly getting the car out of the garage, so as not to gas "Zar", the dog, and Doris upstairs in the house, the car stalled. Upon trying to retart it, the plugs fouled, and Bill provided Emerald Drive with their second 4th of July Display. AKA back firing through the Carb. But the rest of us common folk appreciated seeing this beautiful example, even though it was a rather trying experience for Bill.

On the mend!

Judy Becker and Rom Kaminski are both home from the Hospital. Judy is doing very well and Ron is "Overdoing very well! Ron, listen to those men in the white coats, and take it a little easier.

50/50 Raffle was drawn by Casey as usual! Maxine Kaminski walked away with \$9.00 and \$18.00 went into our rather 'depleted" treasury.

Well, now for my finishing remarks: A beautiful time was had by all aboard the Majestic Dinner Cruise of August 20. The food was delicious as usual and the weather was just perfect. Everyone was really happy to see Jennifer Batty attend also. John and Marcia Stringert also announced that they will be leaving us to take up residence in Sunny Florida. John has a job there and we wish them the Best of Luck! They will be sorely missed. I guess he and Marcia will have to be happy with just warm weather and sunshine.

At the writing of this newsletter, I talked with Rom Kaminiski and he is feeling just great. He wants to thank all of you who not only asked about him but who also sent cards, letters and prayers to him. In fact he was feeling well enough to go out and buy a Harley Motorcycle. I think that he and Pat are part of the "Wild Bunch"! At-a-Boy-Ron!

Hope to see you all on September 6 for our 1st Swap Meet and Meeting at North Park.

Your Secretary,

Bill Miller

PS The Club Patches should be in by the time of the meeting.

THE GREAT TITUSVILLE OLD CAR CRUISE OF SEPTEMBER 24, 1989

You and your old car are cordially invited to join the Western Pennsylvania Corvair Club for an old car cruise to Titusville, Pa. and back to the Pittsburgh area on Sunday September 24th, 1989.

Here's the plan:

1. Arrive at the Cranberry Mall on Route 19, where Interstate 79 and the Pennsylvania Turnpike meet, for breakfast and old car talk about 7 A.M. Park behind King's Restaurant.
2. Depart at 8 A.M. sharp.
3. Cruise for about two hours, arriving at Drake Well Park, in Titusville around 10 A.M.
4. Tour the Drake Well Museum and park exhibits, including a full size working replica of the world's first oil well.
Our group rates to the museum are: \$1.50 - age 18 & up.
\$1.00 - age 7 to 17.
Free - age 6 & under.
5. Board the Oil Creek & Titusville Railroad train at 12 noon, for a 2½ hour narrated round trip excursion through the valley that changed the world!
BRING YOUR OWN BOX LUNCH TO ENJOY ON THE TRAIN.
6. About 3 P.M. we will start our cruise south toward Pittsburgh, stopping for dinner at an eatery to be named later.
7. HOW MUCH? We are collecting \$7 per person for the train ride, payment in full, no refunds, this cruise is on come rain or shine. We need at least 55 people for our own RR coach. WPCC treasurer, Irene Artzberger will keep a list of paid reservations in the order that they come in. Each RR coach holds a maximum of 76 people. Therefore the first 76 people to send in their money will be guaranteed a seat in our private coach (featuring the best tourguide). Additional private coaches are possible, but only if demand is heavy early on. If you sign up after we fill er up, you are still welcome to cruise along, but you will be taking pot luck on seat availability in the rest of the train. The leaves will be turning by then up there and seats should be in great demand.
8. Payable to: WPCC Confirmations will be mailed out.
Mail today to: Irene Artzberger, WPCC treasurer
305 Golf Drive
Pittsburgh, Pa. 15229
9. Press releases covering this event will be sent to the media in northwestern Pennsylvania.
10. This is meant to be an old car event, so try to have the old collectable in shape by September. If the "TIN LIZZY" is down try to convince an old car friend to tote you along in the rumble seat. Either a guard or a few members will stay with the cars at the museum during the train ride.
11. Questions? Call Al & Carole Friend (412)325-2588
or Bill & Irene Artzberger (412)364-6842

September Newsletter -Supplemental

This will be a short note; more-or-less just a reminder of the upcoming events.

The September 6 Meeting had 35 members in attendance! Our special thanks to Bob Shannon for his novel idea of a Swap Meet.

We discussed the upcoming Road Rally September 17 at Roosevelt Grove in North Park. John Zaccaria told us to meet at 1:30 PM at Roosevelt Grove. The Rally will be about two hours in length with dinner afterwards at J.Clarkes on McKnight Road. He explained that the Rally will consist of following a set of directions which are gathered from CLUES along the way and then arriving at a pre-determined destination. Better bring a navigator or watch for the CLUES.
