Well, I'm back for another year. As your Secretary, I will try and keep you abreast of our Club's activities during this important year.

Important to all, but maybe a little more to some than others. This is the year that those of you who own 1965 Mustangs can apply for Antique Plates. Certain restrictions do apply but for some it might be worth the restrictions. A few considerations to the good side are:

- One time \$50.00 license fee instead of \$24.00 per year
- No annual inspections required
- Insurance company consideration for an antique auto.

However there is a negative side too:

- Car cannot be driven as a daily driver (a beater)
- Car cannot be driven between sunset and sunrise
- Yearly mileage restriction as determined by PenDot

An antique plate may be something to consider. Then again it may not fit your "bill". Some careful thought should go into ones decision.

I've included the section entitled Antique and Classic Plates from the current PA Vehicle Code for you to read to help you decide.

I was unable to attend the January Meeting due to work, but Doris Keefe was gracious enough to take notes during the meeting. Topics discussed was the "Calendar of Events" which should be completed and enclosed with the February Newsletter.

Remember to send your check for \$12.00 for the 1990 Dues.

Checks payable to: GPMC  
c/o Doris Keefe  
Rt. 19-P.O. Box 373  
Wexford, PA 15090

The dues are payable by the March 7 Meeting.

Congratulations are in order to Joe Uhler and his son Jason on their new acquisition of a 1968 Shelby GT-350. Bitten by the Snake, eh Jim?

Now is the time to get those resolutions taken care of. You remember . . . those little things that you promised to take care of before the nice weather gets here. Things like cleaning up the engine compartment or ordering those parts from Dallas Mustang or finally replacing that nasty carpet. You know I'm right. Every year Spring has a way of sneaking up on us. We're all guilty of procrastination myself included. Don't let it get you this year.

Hope to see you at the February 7 Meeting at Denny's Restaurant, Route 19N, Wexford at 7:30 PM.

Your Secretary,

Bill Miller
