PONY EXPRESS

We had a huge membership turn out for our Feb. 7th meeting, with people even sitting on the floor. Everyone must be enthusiastic about our Parts Swap Show coming up on March 18th. We love your co-operation, for we truly need each and everyone of you to make this a success.

Our plans for the Parts Swap is progressing right along, with 29 spaces already sold as of Feb. 23rd. We thank those people that have helped us so far: Don and Jaye Wilkinson for having printed the flyers and vendors applications, John Fedornock for the raffle ticket printing, Dennis and Judy Becker, plus Don and Jaye Wilkinson for letting us use their phone numbers for the Pittsburgh Press ads, and Maxine Kaminski that is heading up the Food committee. Ron & Pat Kaminski gave a detailed report on the items that they are planning to buy to sell at the food concession. We would greatly appreciate all those who volunteered for different jobs to please come to the March 7th meeting, so we can finalize the last minute details.

Raffle tickets are still available for you to sell. We are as you recall raffling a 1956 T-Bird Beam Decanter.

Our next meeting is at Denny's Rest. Wexford, Pa.

Time 7:30 P. M. March 7th.

Keep in mind also our First outside event for 1990 is April 29th. We are going to visit Linden Hall and dinner afterwards. We will have to know how many people will be going so we can make reservations at the April 4th meeting.
