

## March Newsletter

First, I would like to take this opportunity to Thank all those who came out for the Parts Swap Meet at Jim McKain Ford in Wexford on March 18. The unselfish Club Members' participation made this event an overwhelming success. Accolades are certainly in order to all who devoted their time, efforts and skills. Admittedly this event could not have been successful without your participation.

Secondly, we want to welcome some new members into the Club;

Lanny Liggett was gracious enough to supply a sheet of future events for you to attend, some of which GPNC members will attend also as a Club Event.

We also have a special event planned with the last minute details yet to be finalized. J. J. Grabner has agreed to sponsor a Club Meeting at his home to display his array of beautiful and exotic automobiles; most of which are "one of a kind." I will keep all the members abreast of the finalized date as soon as I receive word. This is one event that you won't want to miss.

Our next meeting is April 4 at Denny's Restaurant, Wexford, Route 19, at 7:30 p.m.

And speaking of April, the attached flyer is of our April 29th event to Linden Hall. Steve Tomko has planned this event and we should have nice weather. The tour of the grounds takes about an hour.

My personal thank you to Janet Haggerty who was the stand-in Secretary at the March Meeting. Sorry I missed it, but duty calls.

Your President, Bill Keefe did a marvelous job of writing the Pony Express this month.

See you at the April 4 Meeting!

Your Secretary,

Bill Miller

## PONY EXPRESS

SPRING IS HERE!!!! IT IS TIME TO GET THOSE MUSTANGS OUT OF  
THEIR WINTER STORAGE PLACES.....

Charge up those batteries, check the fluids and belts, give her a quick wax job and you'll be all ready for our first outside event of 1990. Steve Tomko planned us a tour of Linden Hall, located at Dawson, Pa. five miles east of Perryopolis. Date is April 29th. North hills members leaving Cranberry Mall at 1 P.M. Driving Pa. Turnpike to New Stanton Exit. Tour starting at 3 P.M. Restaurant decision will be made at the April 4th meeting. Please attend this meeting for there will not be another newsletter before this event. Map enclosed on Linden Hall.

Our next business meeting is scheduled for April 4th at Denny's Rest. Rt. 19 in Wexford. Time of meeting at 7:30 P.M. Come earlier if you wish to have dinner. We have acquired ten new members as a result of the Parts Swap Meet, so if you see anyone that looks new, please make them feel welcome. We know it's not easy walking into a room full of strangers, so make them feel at home. Bob Shannon is going to present a video on Mustangs, which should be interesting and relaxing. Let's have another hugh turnout like we have had the passed two meetings. Also for discussion we welcome any comments that pertain to the parts swap meet, so that we can make improvements for next year while they are still fresh in our minds.

A THANK YOU LETTER TO ALL OUR MEMBERS THAT MADE MARCH 18TH A SUCCESS  
AND A SPECIAL THANKS TO THESE PEOPLE LISTED BELOW::::::::::::::::::

We did a bang up job for our first attempt to hold a Parts Swap Meet. The vendors seemed very happy and said they would be back next year. Everyone loved the food, thanks to Maxine Kaminski and Kribel's fine bakery products. The refreshment stand served up a delicious array of food for all to enjoy with the help of Ron, Pat and Rick Kaminski. Judy Becker and Janet Storer helped serve and talked up our Beam Decanter which was on display at the sight. We thank Dennis Becker for his most precious time to lay out our floor plans, we could not have done it without him. Jaye & Don Wilkinson were there before the doors were even open. Jaye did an excellent job placing the vendors in their proper spots without any disputes. Jaye and the Storer children Jamie, Stephanie & David worked the entire day receiving admissions at the front door which by the way did very well in the receipt department. The Storer children did not give up until every raffle<sup>ticket</sup> was sold before the day was over, even if they asked the same person five times to please buy one. Admissions were received at the rear door by Casey Kolder, Joe and Joey Vodvarka and Janet Hagerty. We know who will be our official sign printer and hanger. An excellent job was done by Tom Cavataio and John Zaccaria, we shall request their services again in the future. Club Shirts and patches were sold by Bob Shannon his wife Kathy and daughter Laurie, they also acquired seven new members that Sunday with more being mailed in every day. Many thanks to John Fedornock and his mother for the donation of sauerkraut and hugh pan of chocolate cake. Also donated were coffee, cups, sugar by Ray Vinson and Chuck Kolder for the coffee cream, everything was greatly appreciated. Much needed membership applications were supplied by Bill Miller, Denny Becker and Bob Shannon. WE CAN ALL BE PROUD OF "A JOB WELL DONE."
