

October Newsletter

Bill and Doris Keefe were out of town for our monthly meeting of October 3. Rick Kaminski and Chuck Kolder were in charge of the meeting which went without a hitch. Even though it was a relatively short meeting there were a lot of topics discussed.

Out Cruise to Laurel Highlands is still on for this Sunday, October 14 at 1:30. We will meet in the rear of King's Restaurant (Cranberry Mall) to caravan to the Lodge for Dinner. The way the weather has been recently should afford us a beautiful view of the foilage along the turnpike. I promise to stay within the speed limit so as not to lose anyone.

Out meeting next month November 7 will be back indoors at Denny's Restaurant Wexofrd, Route 19 North at 7:30 PM. Special guest speaker will talk about engine lubricants. (If you bring a sample, the guest will test it free.)

Remember that we are trying to find another place to hold our monthly meetings because of the large number of members attending. If any member knows of a Legion Hall, Moose, VFW or any other place that is reasonably priced or free that the Club can use once a month, please contact either myself or any Club Officer or bring the info to the next meeting.

Upcoming events:

Canfield, Ohio - October 19, 20, 21 Swap Meet

Columbus, Ohio - November 24 & 25 All Ford

Also in November at the stated Meeting is the Nominations for Election of Officer for 1991. Start thinking now of who you would like to lead the Club in the year 1991.

Next month is the deadline for the Christmas Party. If you're going, money must be paid by the November 7 Meeting. The Party will be held this year at Carmody's Restaurant, Route 910 and 79N on December 9. Remember that the Club will pay for 1/2 of a meal. In other words, two members eat for the price of one.

Prices are:

Chicken	\$15.66
Prime Rib	\$19.22
Shrimp	\$18.00

The Treasurer accepts Cash or Check.

Larry Nobile won the 50/50 Raffle at the October Meeting.

Also for 1991 is a bus trip to Atlantic City. This will be a 2 for 1 trip. More about this later on.

Rick Kaminski and Chuck Kolder have already agreed to host the Parts Swap Meet for March 1991 to be held at Barden-McKain Ford.

If you missed the October Meeting you missed a beautiful evening. Besides the weather, the parking lot at Roosevelt Grove looked like a Car Show in itself. Mustangs from 65 to 90, new and old, yellow 57 T-Bird Convertible, a Ford Street Rod, even an Audi.

Our Club is really growing and the members have themselves to thank for the enthusiasm.

Don't forget the November Meeting at Denny's Restaurant and the Cruise to Laurel Highlands this weekend.

Your Secretary,

Bill Miller
