Secretary: Karen Borgen 487-6285
Treasurer: Doris Keefe 366-4679

Hello Buck-A-Roos' ;

It's time to "saddle-up" for the club outing to Mathews Mountain (i.e.. A Replica Town & Vintage Garage) on SUNDAY, MARCH 29 th. Those wishing to attend this Tour should meet with the group at either parking lot location:

Kings Resturant - (Rts 910 & 79) - 12:30 pm

OR

Dennys Resturant - (Entrance of Century III Mall- Rt 51) 1:30pm

PLEASE BE PROMPT. (These are the times that the group will leave the parking lots and caravan to the tour site). It should be an interesting trip, hope you'll join-in.

The club's Parts Swap '92 was a success, thanks to the combined efforts of our club members. These volunteers devoted their time (and a lot of work) to create the event. They certainly deserve recognition and the Clubs' appreciation for their contributions.

KUDOS TO MEMBERS:

Chuck Kolder, Chuck Kalish, Rick Kaminski, & Dan Hartman, for planning; vendor arrangements; advertisement; organization; set-up; take-down; clean-up; food prep.; & day long management of the swap. Nice job fellows !

I've been asked to announce that next year Rick Kaminski not be permitted to buy the ketchup....(Poor Rick got a lot of "flack" because he brought Hunts Ketchup instead of Heinz). Those dogs tasted great to me Rick.

Bonnie Kolder & Michelle Kalish for "slaving away" at concession stand all day; clean-up; handling change; announcements; etc. (As if you girls don't have enough to do !... Make that a double "over-time" week for our first lady) Fine Cuisine Ladies.

Maxine Kaminski & her bakery staff for the yummy desserts; buns; and use of the coffee makers.

Ray Vinson for contributing paper products; coffee; sugar; etc.

Doris & Bill Keefe for making the arrangements with Barden-Mckain and obtaining necessary insurance; along with Bob Shannon, & Judy Becker selling club items and signing-up new members at the club table. Doris really brings in the \$\$\$!

Joe Uhler for standing at the entrance door all day, collecting admission fares and greeting people. Bet your legs were sore Joe!

Terry Conroy for the use of his electric roaster and also his manual labor contribution for the set-up & take-down help.

Scott Brown, Bill Phillips, Larry Nobile, Gene Hagerty, Dennis Becker, and all the other generous people who gave of their weekend's time, by devoting their efforts to help the "cause".

"THEY WORKED HARD FOR THE MONEY" (i.e., the Club Treasury)

The Greater Pittsburgh Mustang Club certainly has the nicest group of members anywhere! It was truly "heart-warming" for Harold and I, when these kind people formed a "chain-gang" to load our things into our van. THANKYOU ALL.

MEETING MINUTES:

The snow & cold weather didn't keep our loyal membership from attending the meeting on March 11th. President Chuck anticipates the Ford Speaker will be at our April 1st Meeting; make plans to be there if you can.

1. MATHEW'S MOUNTAIN TRIP was confirmed for SUNDAY, MARCH 29TH.
Meet at Kings Rest. 12:30 OR meet with group at:
Dennys Rest.- Century III Mall - 1:30 pm
2. Plan to attend the APRIL 1st MEETING to hear the Ford Speaker. And also, The club's Car Show Plans will also be discussed. Members are encouraged to come and express their opinions and to make suggestions. (Issues will be resolved by majority vote). Chuck asked Gene Hagerty to assume the responsibility of 1992 Car Show Management; we all know Gene is the perfect choice for this important task.
3. BOWLING TRIP has been planned by Michelle Kalish for SUNDAY, APRIL 5th - PINES PLAZA LANES - Rt. 19. 1:30 pm. The lanes are located around the rear of Pines Plaza, Rt. 19-(Perry Hwy) The Plaza is approx. 1/4 mile North of the Three Degree Road & Rt. 19 Intersection; located on the right side of the highway. (A Foodland is located in the Plaza) Cost of bowling is \$1.90 per game, and we usually bowl 3 games. There will be some special prizes for "special talents" that club members display on the lanes! Those attending last year had a good time.

Of course, dinner out is part of this field trip. (Possibly Dingbats; Olive Garden; Denny's; or Maggie Mae's on McKnight Rd). Members attending will have to decide the place; let's all "dig-out" those ugly shoes and have some fun! If you need more info., call Michelle or Chuck at 761-1431.

MEETING MINUTES CON'T.

- 4. A \$10.00 REWARD will be paid to the member who attends the next monthly meeting whenever their name is printed backwards in the newsletter. Ingenious Chuck thought this would be fun, while encouraging meeting attendance and newsletter readership
- 5. Kevin O'Connor is continuing his efforts to have our club published in various magazine directories. He's obtained an offer from Fabulous Mustang Magazine to photograph our club Car Show for a feature in one of their editions.
- 6. Linda O'Connor won the 50/50 raffle.....one good turn deserves another.
- 7. NAME BADGES which identify each member are being distributed as they are produced. (It's a rather tedious process that I hope to complete by the Club Picnic). PLEASE WEAR YOUR NAME BUTTON TO CLUB EVENTS & MEETINGS; it'll be easier for us all to socialize.

"WORD AROUND TOWN - GOSSIP COLUMN"
(Info. courtsey of Janet Hagerty)

Congratulations to Steve and Cathi Bohatch who became Grandparents (can you believe?) to a bouncing baby BOY !

In the tradition of a TRUE CAR ENTHUSIAST, member Chuck Boleky had a scale model of his real RED COBRA car placed atop his WEDDING CAKE ! Congratulations to Chuck and his bride Janet; we wish them the very best in their new life together.
Congratulations Chuck & Janet.

Domenic Santucci Retires

He won't read this (he's sworn off reading *National DRAGSTER* because it's too painful to read about a sport he no longer will be actively involved in), but match-race Funny Car hitter Domenic Santucci says he's leaving drag racing, maybe for good. "It's a darned shame, but the costs have gone beyond

my income," Santucci said. The independent racer has run a 5.26, lasted until the semifinals of the prestigious U.S. Nationals in 1990, and has been to the mountain-top, having won Top Gas at Indy in 1969. He's one of a handful of racers able to qualify for NHRA's brutal National event fields on one shot. But it's hard, even for a racer running the same pistons he was running three years ago, when he ran 20 match-race dates, to survive on his own nickel. "There aren't enough match races to keep me busy, and my machine shop is taking off, so I'm going to do the smart thing and stick to business," Santucci said, "but this is harder on me than you can imagine." If he does return to the quarter-mile, a possibility he hasn't completely ruled out, it may be with a Top Fueler with his son, Dom Jr., at the wheel.

NOTICE TO MEMBERS

There are several new things that GPMC is hoping to provide for interested members. (To reduce expenses & postage costs; members should request the item, and "pick-it-up" at club meetings or events.) NAME BUTTONS may be ordered by active members & those who will attend the June 14th Club Picnic. Call Karen (487-6285)

A MEMBERSHIP DIRECTORY

Chuck Kalish and I are trying to compile information to create a GPMC BOOK to include Membership Info.; Local Cruise Dates; Club Activities & Events, etc. Please submit any address or phone changes. Include your car information, and employment/occupation info. (If you'd like it to be published in the upcoming directory). MEMBERS WHO HAVE PAID THEIR 1992 DUES will be listed in the GPMC Membership & ONLY "paid-up" members will continue to receive the newsletter.

A PHOTO SESSION

A professional photographer (McGaughey Photography) will attend the Club Picnic on June 14th at Roosevelt Grove, North Park. He will take pictures of your car, and/or your family! (Members may order their choice of photographs in various sizes; photo buttons key chains w/car picture; etc.) Prices will be published in the newsletter prior to the "photo-session". (I'm confident they'll be reasonable). Start getting those "Babies" ready!

"CRUISE-LINE"

As mentioned in the Feb. Newsletter; we're taking names & phone numbers to create a "phone-chain" for impromptu cruises during the warm weather.

Call Karen Borgen 487-6285 (or any Club Officer) to be included in these new offerings, or to make suggestions. Chuck Kalish is handling Directory Publication, so submit any desired changes to him: 189 Wallaston Ave. Emsworth, PA 15202 (Phone: 761-1431)

PONY EXPRESS
&
TIP OF THE MONTH

Bill Keefe ran-out of tips for this month; and President Chuck says "he'll catch us next month" with his Pony Express. Okay Guys, we'll let you "slide" because you did a first rate job on the Parts Swap! I'll just place the name of our "Wanted" Winner of the month here: laup sakanaig & serolod and see if they collect their reward of \$10.00 by coming to our April first meeting? It's easy to find the name THIS time!

Sells, my name is Gary Bee. I am selling a calculator that has 18 formulas added to it to help car builders and racers. This will help you to calculate the precise tire size, gear ratio, r.p.m., m.p.h., horsepower, etc. There is also one special formula for engine builders to help you figure out compression ratios.

This calculator is set up so that you only have to put in the numbers that the formulas call for.

If you have any questions contact me at your earliest convenience, and I will help you as much as I can.

The calculator will be on sale at the price of \$39.99 plus tax.
